

ESTEEM partners met in April in Lisbon, hosted by ISCTE !

For 2 days, they worked on different subjects and in particular on the development of the IO2 & IO4 modules and on their upcoming test phases which will soon be launched in the 4 partner countries.

The next face-to-face meeting is scheduled in June 2022 in Cagliari, Italy!

During the first phases of the project, ESTEEM partners have been developing innovative training modules around female leadership based on [IO1 study](#) and [IO2 literature review](#) and they have been organizing role-playing sessions to encourage the implementation of good practices between female entrepreneurs.

For the last activity of ESTEEM, the partners are focusing on the construction of a training programme and a tool to facilitate the access to financing solutions !

To provide female entrepreneurs with the capacity to expand and empower their entrepreneurial project / ideas to become valuable, recognized by the donors and therefore to facilitate the funding.

By developing and testing **7 workshops on various related topics:**

- Enterprise and entrepreneurial skills
- Soft skills for entrepreneurs – communication
- Business Model Canvas - Value Proposition and Customer Segment
- Financial management for an entrepreneur
- Marketing essentials
- Meditation for an entrepreneur
- Pitch your Value Proposition

By developing a **catalog with useful financial tools**, including European opportunities and national / regional and local opportunities from the partner countries.
